

Did you know that as a Davis Vision member, you have the freedom to visit any eye care provider of your choice? However, you receive the greatest value when you use your vision benefits
How can I receive covered-in-full eyeglasses?¹

Look up a participating network provider that carries our exclusive frame Collection by visiting www.GuardianLife.com or calling Member Services at 1.877.393.7363. In lieu of using your plan frame allowance, you may select any one of the 200+ frames from our Collection. All basic spectacle lenses, including single vision, bifocal, trifocal, lenticular and some lens options are also covered in full. By selecting a Collection frame with these spectacle lens options, your eyewear will be completely covered in full. Additional lens options are available at significantly discounted fixed copayments or covered in full, depending which full feature plan you have selected.

My provider doesn't seem to carry the full Davis Vision Collection.

Every full service independent network provider is contractually obliged to carry the entire Exclusive Collection of frames.² Due to space constraints in certain metropolitan offices, however, the full Collection may not be displayed on a tower. Some providers may display the Exclusive Collection differently, with smaller selections on shelves or in frame trays. More often, a provider may select an assortment of our Collection frames that are representative of the appropriate style and fit for your face (e.g., children's or men's frames might not be shown if you are an adult female). If you visit a provider who does not display the full Collection, just ask to see the additional Davis Vision Collection frames. Any Collection frame is available to Guardian members.³

Preview all of our Collection Frames Online!

Just log in to the "Members" area of our Web site and click the "Personal Frame Collection" link. You will find 360° views of each Collection frame, along with its description and model number. Bring a list of your favorites with photos to your provider's office!

How do I access my benefit?

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as a Davis Vision plan participant.
- Provide the office with the member's ID number and the name and date of birth of any covered dependents needing services.

It's that easy! The provider's office will verify your eligibility for services, and no claim forms are required.

¹ In lieu of eyeglasses, members may select our Collection contact lenses, covered in full up to plan specifications, including evaluation and fitting, or use the plan-specified contact lens allowance.

² Retail locations do not carry the Collection; however, members will receive an equivalent credit applied toward their frames plus a 20% discount off the overage. Additional discounts not available at Walmart locations.

³ Copayment may apply depending on your Guardian program.
